

President's Award

Compiled by Jodi Becker Kinner
Edited by Valerie G. Kinney
2016

The President's Award honors people or organizations for their extraordinary work or accomplishment. It is decided by the president of the Utah Association of the Deaf.

After going through the hard copy of UAD Bulletins, I have listed of names that have received their President's Award. However, please be cautioned that some of the name may be missing. Once our UAD Bulletins are digitized and posted to website archives, I should be able to find accuracy of data. As of now, I've put the names/years together the best I could. So, enjoy!
